Dear Member

Adoption of NT&CSA End Year Accounts 2021-2022

As previously advised by the Executive Council, our Association's curtailed activity during 2021-22 due to Covid pandemic has prompted us to postpone our AGM to March/April 2023 when our procedures will be brought back in line with our Rules and Constitution.

However, following the practice adopted during the last two years, we wish to maintain presentation of our Year End Accounts annually and on time and have prepared and audited Year End Accounts for 2021-2022 which the Hon Treasurer, Mary Roach and Hon Auditor, Robert Perkins, propose be submitted to the membership for adoption by email or by post in lieu of presenting them at the next AGM. The accounts and Hon Treasurer's explanatory notes are therefore attached.

You are invited to register your vote confirming acceptance of the accounts for 2021-22, and also direct any questions or comments to Mary Roach, by post or email, as contact details above.

We should be grateful to receive your vote by 20th May 2022.

Mary Roach - Honorary Treasurer

F. Robert Perkins - Hon Auditor

Enc: Audited Accounts & Explanatory Notes
